

Government of The People's Republic of Bangladesh  
Ministry of Environment and Forests  
**DEPARTMENT OF ENVIRONMENT (DOE)**  
**BANGLADESH CLIMATE CHANGE STUDY**  
**INCEPTION REPORT**

**NOVEMBER 1994**

## TABLE OF CONTENTS

ACRONYMS		Page
1.	Introduction	1
2.	The Global Warming and The Greenhouse Gases	2
2.1	Global Climate Change (GCC) in the Context of Bangladesh	2
3.	Overview of the Climate Change Studies conducted in Bangladesh and Scope of the Present Study	3
3.1	The Study Objectives	4
4.	Organization and Management of the Study	5
5.	Major Study Elements	6
5.1.	Emission/Energy Study	6
5.1.1	Definitions & General Observations on Greenhouses Gases	6
5.1.2	Current Status of Data Base on Emission Sources	8
5.1.3	Approach and Methodology	15
5.1.4	Team Model and organization	20
5.1.5	Work Plan and Study Time Schedule	21
5.1.6	Manning Schedule	22
5.2	Coastal Zone Vulnerability Study	25
5.2.1	Introduction	25
5.2.2	Approach and Methodology	25
5.2.3	Data Sources	28
5.2.4	The Study Team	29
5.2.5	Manning Schedule	30
5.2.6	Expected Outputs	31
5.2.7	Reporting Schedule	31
5.3	Adaptation and Mitigation Options	34
5.3.1	Introduction	34
5.3.2	Issues to be Addressed	34
5.3.3	Knowledge Base in Bangladesh	35
5.3.4	Data Collection	36
5.3.5	Data Analysis	36
5.3.6	The Study Team	37
5.3.7	Work Plan and Time Schedule	38
5.4	Awareness and Dissemination Programme	42
5.4.1	Introduction	42
5.4.2	Target Population	43
5.4.3	Identification of Messages	43
5.4.4	Choice of Appropriate Media and Target Media Materials	43
5.4.5	Production of Materials	44
5.4.6	Dissemination	44
5.4.7	Team Organization	45
5.4.8	Time Schedule	45
6.	The Overall Team Structure	49
7.	The Workplan and Study Time Schedule	50
8.	Outputs	50
9.	Annexures	50
